

Class Summary (Sep 17)

9月17日(水曜日)

Review:

Learned the particle **の**: it shows possession or relationship between two nouns.

- 1. possessive.

Noun1 no noun2 => Noun2 belongs to noun1 (ex. Watashi no ringo)

- 2. Noun1 describes noun2 (ex. Nihongo no gakusei: Japanese language student)

For proper noun (name) then omit no. Ex:

Sasukachuwan daigaku: THE University of Saskatchewan

Sasukachuwan no daigaku: Universities in Saskatchewan (many: usask, uregina, etc.)

Homework: Page 50-51- sections A, B, C. Practice writing sentences using **の** and the information given about the characters in the textbook. Pages 297-299- all sections.

せんせい recommends continuing to work in the Genki workbook; after each lesson, there should be sections we can fill out and practice.

Practice:

pg51 II-C, IV-A, B

pg49 C

pg299 II

Attendance sheet Question: せんこうは なんですか。senkou wa nan desuka
