

Class Summary (Sep 8)

Monday, Sep 8

- Common greetings throughout the day: morning, afternoon, evening, night-time; apology, excuse me, no problem/don't worry about it/no; goodbye and welcome home; thanking food before and after meal.
- We watched a Genki video to see these greetings performed in various situations.
- Did an overview of the alphabet again, with the addition of the diacriticals (" and °), and contracted sounds, to complete the various sounds in Japanese (Ex. きゃ、きゅ、きょ etc).
- We explored simple spelling with hiragana: すし, みつびし, なると, にんじゃ... The class participation exercise was to spell out three words using hiragana.
- Practiced introducing ourselves to fellow classmates (content found on page 35).
